

DocFind[®] Online Directory

Find the right doctor and quality care

Fast, accurate results 24/7

Whether you're looking for a new doctor, pharmacy or dentist, our online directory will help you find what you need. You can even use the DocFind tool to see if your doctors are in our networks.

Make the best choice

There are lots of ways to search for a doctor with DocFind:

- Name
- City, state, zip
- Specialty
- Hospital affiliation
- Gender

To make your choice easier, DocFind gives you key information about a doctor:

- Plans accepted
- Office locations
- Maps and driving directions
- Medical school attended
- Board certification
- Languages spoken

You can even see which facilities specialize in:

- Transplants
- Children's heart surgery
- Bariatric procedures
- Orthopedic procedures

They're included in the Institutes of Excellence[™]/Institutes of Quality[®] network.

Look for these extras

DocFind also tells you about many programs your doctor may work with, including:

Aexcel® designation*

This Aetna program for specialists means that a doctor has met certain care and cost standards.

ePrescribing

With this service, doctors can use a computer to write your prescription. They can also check for harmful drug problems and suggest safer treatment options.

National Committee for Quality Assurance (NCQA) recognition

This program helps you find doctors who meet NCQA standards of care. NCQA is a nonprofit group that works to improve health care quality.
